Elite Touch®

Keypad for Elite Touch®

The keypad is part of our Elite Touch® product line to maintain code compliance where pushbuttons are still necessary, as well as provide a back up in the event the touchscreens are out of service.

Typical Applications

- Car Operating Panel

Features:

- Stainless Steel keys
- 16mm high characters
- 8 ohm Speaker

NOTE:

Maximum distance from keypad for display and speaker is 10 inches

For use with Elite Touch® units
Power Supply # 40102412 with
Bracket # 70000280 is recommended
